

I am deeply
disturbed by
Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary under
the guise of "news".

This is a clear
example of the
dangers of media
consolidation.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. However,
they're clearly
using their control
to serve only their
own interests, and
to spread their
biased view. This
is wrong, and
interferes with the
democratic process.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. Please
let them know that
their actions can
not and will not be
tolerated.

Thank you for your
time.
